natural instincts insticts  
volume 1 pdf - The above is  
a nice way of saying the  
following: if women were  
judged by how they judge  
men, theyâ€™d be losers.  
Put a dick on just about any  
woman you know and  
watch her instantly  
transform into a loser, one  
who is addicted to social  
media, overpriced  
restaurants, toxic  
entertainment, and endless  
validation from strangers.
